

My home can be  
everywhere or  
nowhere. My daily  
meals consist of  
anything or nothing.  
My knick-knacks  
and baubles  
are the clothes  
I wear.

My money is only  
what others give me.

I am a being. I am  
human. I am  
homeless.

If only people could  
see where I stand.

And help me through  
this all. Will this  
loneliness ever end?

Will I begin a new  
life? Does anyone  
care? Because I  
am here. I am real.

I cannot be ignored.

I am a person. I am  
alive. And...

**I am homeless.**
